Dear Parents:

On Thursday, March 11, 2010, CTES will welcome children's bestselling author **Ginjer L. Clarke**. In three K-2 workshops, Ms. Clarke will read her exciting nonfiction animal books, talk about being an author, how a book gets made, writing tips and exercises, and share fascinating facts about some unusual creatures.

Ginjer L. Clarke's books have sold more than 2 million copies worldwide since 2000; have been positively reviewed in *Booklist*, *School Library Journal*, and *Horn Book*; and are featured in both Scholastic and Bedford Falls book fairs. Her book *Platypus!* was awarded the 2005 Maryland Library Association Blue Crab Young Reader Award for Nonfiction and selected by the National Science Teachers Association as recommended classroom reading.

All books are paperbacks and are part of the All Aboard Science reader series, targeted for ages 6 to 9. If you would like to take advantage of this opportunity to purchase her best-selling books and have them autographed for your child, please return the order form below to school no later than **Friday, February 12, 2010**. A portion of the book proceeds will go to CTES PTA to help support this and similar programs in the future.

Sincerely,
Leslie McGuigan
Cultural Arts Chair, CTES PTA
